

September 2009

Welcome

The Cricket Academy (TCA) is a private organization that runs professional cricket coaching. We are based at the Western Province Cricket Club Sports Centre in Rondebosch. The Sports Centre boasts the finest cricket facilities in the Western Cape, consisting of an indoor centre with four indoor cricket nets as well as artificial and turf outdoor nets. TCA has also recently opened a new coaching centre in Constantia, please see overleaf for more on this exciting development.

Cricketing news

Our pre-season coaching programmes have been very well attended thus far. This heightened interest in cricket can be attributed to the excitement of the recent 20-20 World Cup and Ashes series, as well as the Indian Premier League having been hosted by South Africa for the first time this year. With the ICC Champions Trophy due to be hosted in September and the English side touring later in the year, we will be spoilt with even more world class cricket.

Ryan Ten Doeschate (Netherlands and Essex CCC) will be with us once again this year and is available for a limited number of private coaching sessions during October and November. Book now to avoid disappointment!

Congratulations to Stephen George (Senior Academy Coach) who was recently selected to attend the Cricket South Africa Level III qualification course in Pretoria.

Good luck to all of our players who have trained hard during the winter months for the upcoming season!
